No 152 June 2016

Thank you for the kind donation of £25 received by the Wrambler this week. The money from donations and our advertisers goes towards printing and paper costs and is much appreciated.

STALLS ON THE GREEN

Thank you to everyone who attended and helped out at this year's Stalls on the Green on Monday and made it such a great success in raising money for the Village Hall - even the sun came out!

We made a grand total of £440.48 which in the word of our Treasurer is "Brilliant"! The Village Hall committee would also like to thank everyone who contributed on the day with tombola prizes, cakes and plants. We would like to thank Graham and Liz for running the tombola and for making and displaying the advance notice signs; Nicola for baking and donating the scones and doing the ongoing washing-up; Ruth, Margaret, MacKenzie and Caitlin for assisting at Belmont; Sue, Mo, Jeanette and Jackie for the cake stall; Peter for the plant stall and Chris for moving the tables and chairs in his van. A great community effort!

As we reported last month Mark Goodson of Wayside Caravan Park kindly bought a replacement lawnmower for use on the village greens. The machine was delivered in May and is already being put to good use. It is worth mentioning there is a team of volunteers who regularly mows the village greens and our thanks are to them also for their time and effort.

Picture shows from left to right: Andrew Clark (volunteer), Trevor Jones (Wayside), Mark Goodson (Wayside), Peter Renshaw and Dave Philips (volunteer).

Supporting the Wrambler
and offering our residents...
...a touch of tranquillity

To enable villagers to have greater regular access to the book collection the Village Hall will be open from 5.30-6.30 pm on a Monday evening (excluding Bank Holidays and 6th June). The book collection now contains plenty of great titles from childrens books to cookery, biographies to gardening. The quality of the books is excellent and there is something for everyone. Do please try and support this initiative.

We still would like recipes for The Village Hall committee's "Wrelton Recipe Book". Please pass favourite recipes to any Village Hall committee member or to the Wrambler. Thank-you to those who have already contributed

VILLAGE HALL NEWS FEATURE.

The village hall is run by a group of volunteers who meet every two months. Following the meeting in May, Jan Firth was elected as the new Chairperson. We would like to thank Sue Halstead for her work as outgoing Chairperson and to welcome Jan to the role. We would also like to thank outgoing committee member Liz Crouch (ably assisted by husband Graham) who managed the bookings, cleaning duties and various other 'unseen' work done towards the upkeep of the hall.

Currently we are looking for one or two more volunteers for the committee and someone to take over Liz and Graham's cleaning duties. Until our chairperson Jan is back on her feet (don't ask!!) please contact Tony Miller here at the Wrambler for further details. To give you a flavour of what the committee have achieved over the past year here are the edited highlights from the outgoing Chairperson's (Sue Halstead) Annual report.

Chairperson's Report 2015/2016

Repairs & Renewals

1. Signs – the Village Hall name sign was erected during May
3. Book case – to store books for the funded book exchange – a grant received from RAY and built by Terry Firth (Thanks)
4. Bolts added to the entrance/exit gates to the Play Area as a safety measure
5. A play house was purchased by the existing Playground committee with funding from the PC (community investment fund) & the Village Hall.
6. The Hall and stage were re-decorated this year.
7. Woodworm & Loft Insulation – grants from Ryedale Council were provided to partially fund (50%) treating woodworm found in the loft area above kitchen/mall meeting room and also loft insulation – hopefully this will help reduce heating bills.
8. Electrics – following electric survey carried out by Strickland's which highlighted areas which required immediate modification/renewals we had the work completed in November to be compliant with regulations. We received a grant towards this of £350.00 from RDC. (50%)
9. Fire Brigade Audit – we invited the Fire brigade inspector to advise/undertake a fire risk assessment and certain areas were highlighted – this work was carried out by the electrician and further recommendations will be implemented this coming year.

Events:- Harvest Supper, Barn Dance, Book Exchange, Ruth's' Craft Fair/Bathsheba's Christmas Fair along with numerous other regular events

Other Business

Play Area – the management of the Play area has now been taken on board by the VH committee

Morrison's – following damage to the car park by Morrison vehicles a sum of £150 was received in compensation – this will go towards the financing of resurfacing of the carpark

Recipe Book – we are planning a recipe Book to raise funds for the VH and information on this has gone out in the Wrambler. We hope to have the book ready for Christmas.

The Hall curtains have all been taken down and washed. Decided there was no requirement to renew them at this time.

Plans to resurface the car park and re point the car park wall are in hand for this year and also looking at a new Porch or revamping the existing Porch.

Thank you's go to those residents who "get involved" to help us run events & do repairs- too many to mention but they know who they are – so thank you

All the good people who clean the VH and last but certainly not least I would like to thank the committee members for their support, help and commitment through out the year.

They give up their time to volunteer in keeping the Wrelton VH running for the community. *Sue Halstead*
