No 160 February 2017

Firstly we would like to acknowledge the donations received last month towards the cost of the Wrambler. In total £55 was gifted and is very much appreciated.

Also, an extra 15 people have agreed to either have the eWrambler sent via email or to download it from the website. We are still happy to print the Wrambler for those who have no internet access or prefer the paper version but, please, if you are able to download and print your own copy it would ease the time and cost of keeping our steam-driven printer going.

A DATE FOR YOUR DIARY!

LIVE THEATRE COMING TO WRELTON!

The village hall committee are finalising details at their next meeting but we wanted to give notice that the Library Theatre Touring Company from Leeds will be appearing at Wrelton Village Hall on Friday 12th May.

They are performing two plays from Alan Bennett's acclaimed BBC-series 'Talking Heads.' The Library Theatre Touring Company was formed in 1996, supported by Leeds Libraries, with the original aim of taking accessible, professional theatre to outlying local areas.

They now tour small theatres/village halls nationally from The Wynd Theatre Melrose Scotland to The Quay Sudbury Suffolk to The Ammanford Theatre Wales.

Full details in next month's Wrambler.

There has been interest in the Ryedale Community Transport scheme we recently featured and people have requested more information about using their service.

We include the details below from their website for those without internet access:-

Booking an individual trip

(including wheel chair accessible vehicles)

Our car service operates with volunteer drivers who use their own car to take you from your home directly to your destination and back. Most can carry wheel chairs in the boot. For passengers who need to travel in their wheel chairs, we also have a number of specially adapted cars and mini-buses.

Our drivers will normally wait at your destination until you are ready to return. They have volunteered because they enjoy meeting and helping people. You are welcome to bring a companion at no extra cost.

Eligibility:

The service is for anyone who has problems using public transport and covers all sorts of trips – not just medical appointments.

Cost:

Our volunteers give their time free but you are asked to pay 45p a mile to cover the the running and maintenance costs of their car.

This includes the miles that a volunteer drives to come to you, as well as the trip itself. We endeavour to use a volunteer close to you but this cost can vary with different volunteers and their availability.

As a charity, the scheme is supported by sponsors but we do ask for an annual membership fee of £12 as a contribution towards our administration costs.

Amount of notice required

We normally ask for 48 hours notice of a trip as we rely on the goodwill of our volunteers and their availability. However, in an emergency, we'll do our very best to find you a volunteer driver.

Once a booking has been agreed, it is a firm appointment.

How to apply

Start by having a chat with us to discuss your particular situation.

We can then offer the right transport to suit your needs, including special requirements like needing to take your wheel chair or guide dog with you.

Contacting our car service

Our office hours are Monday to Friday, 9.30am to 2.30pm.

Any messages left on our answering service or on e-mail will be replied to promptly.

As reported last month BT announced plans to remove 70 of its 110 boxes in Ryedale district. Wrelton's was one of these.

However we understand from reports in the local press that it is now to be kept as an emergency service due to the patchy mobile signal in the area. We also understand that the phone will need re-commissioning and this is in hand with our Parish Council. We will keep residents updated on any further developments.

If you are a dog lover please read on:

"My name is Charlie, I'm a black & white Staffie, 9/10 year old. My owner didn't want me and handed me over to Maxi's Mates Dog Rescue, who found me a temporary foster home. I'm very gentle, affectionate, quiet and good with people. I've had my veterinary check and I'm now looking for a forever home. If you can help".

PLEASE PHONE CHARLIE (01751 477233)

Throughout the winter months (October to April) a few of us go to the Middleton Village hall on a Friday evenings from 7.45pm to 9.30pm to play "short mat bowls"

This is a nice friendly group and many laughs are guaranteed.

No previous knowledge or experience is necessary as the game can be picked up in minutes. Likewise bowls can be supplied to anyone without.

Why not give it a go ?
