Your Village Hall needs YOU!

If you have hired or been to any events at the village hall, or maybe used the play area, you'll know what an excellent resource it is for the village. The Hall is run by a committee of villagers and we meet every couple of months to plan events and make sure the building stays in good condition.

We could do with a couple of new members so if you feel able to get involved in this part of village life, we'd love to welcome you.

To find out more either come to the AGM in May (date announced in the next Wrambler) or speak with any committee member

BROADBAND UPDATE

Helen Young writes:-

"I got in touch with Superfast North Yorkshire this week just to see if things were still on track and this is their reply:-

This new fibre cabinet is still in our programme and we still are expecting this to be completed by the end of June.

You should shortly start to see a new fibre cabinet appearing in your area.

As soon as all the work has been completed then I will email you to let you know.

So hopefully we will start to see some work starting fairly soon"

Thank you Helen - please keep us updated

Supporting the Wrambler
and offering our residents...
...a touch of tranquillity

"My name is Sue Uttley and I moved into the village last June to The Bungalow. As many of you will have seen, since I became resident, I have erected a large polytunnel from which I supply bedding plants and create amazing hanging baskets. I also fill hay racks and large planters at people's homes if they are fixed or too large to be moved. I have done this for some years now and really take pride in my work .

I only make hanging baskets to order and I will refill or supply and fill a new basket with the individuals preference of plants and colour. I start to fill hanging baskets in April so they are ready to be collected early June when hopefully we should be frost free. I have a sign I put out to say when I'm open and visitors are welcome to drive in and purchase plants to fill there own planters and gardens.

There is no obligation to buy and people are welcome to just come for a look . I can be contacted on 07979 042190 or sueuttley@outlook.com - or drop a note though my door with your contact details and I will pop round to you"

***Please note we have uploaded some more of Sue's work on the website www.wretonvillage.uk*

THE MIDDLETON EDUCATION TRUST

The Middleton Education Trust is a fund for under 25's which has existed for many years.

Following a number of fallow years during which a substantial amount of money has accumulated, the Trust has recently been relaunched Parish wide with new trustees. The trustees want to use the money wisely and the first step is to find out the numbers of potentially eligible young people in the Parish.

If you have under 25 year olds in your household would you complete the form and post it through the letter box of any member of the Village Hall Committee, please. Alternately you could phone me on 474469 or email the Wrambler on wrambler@wreltonvillage.uk

We don't need gender or your name, this is purely a headcount.

Thank you. Jan Firth (Chair Wrelton VH)
