No. 166 August 2017

Thank you, Ryedale Lions.  
Santas sleigh comes early to Wrelton!

Throughout 2017 as part of their 50th anniversary celebrations the Ryedale Lions are offering 50 community grants of up to £100 to Ryedale organisations. The Village Hall applied for a grant to enable us to purchase an additional table tennis table ( the current one was damaged recently and, though repaired, is a bit temperamental) and guess what? We were successful! We'll be getting the table over the summer so look out for more sessions taking off in the Autumn.

The Lions club said they recognised the way the village hall runs for the community and were pleased to be able to establish a working partnership with us - *VH Committee*

We'd like to mention that the 'Ryedale Lions 50th anniversary family fun day' is taking place at Lady Lumley's School, Pickering on the 5th August between 1pm and 5pm - Among the day's events will be live entertainment, BBQ and refreshments, stalls, games, magic show, palm reading, children's fancy dress contest and rides on a miniature railway. See the event flyer on our website for full details. All welcome!

## WRELTON VILLAGE SUPPER NIGHT

(Tuesday 8th August 2017)

## FRIENDS OF WRELTON VILLAGE HALL

As you know the village hall takes some looking after! We need to keep it spick and span if we are to attract outside bookings to fund it as a community resource. It's a good venue with the full kitchen, stage and playground and choice of rooms but after many years use it's getting a bit old fashioned and shabby in places. The turnout to last years tidy up day was marvellous and we look forward to doing it all again this October! It would be good if we could perhaps have an ongoing programme of improvement rather than just an annual marathon. We would also welcome ideas and help with organising events at the Village Hall throughout the year.

So, we are going to relaunch the Friends of Wrelton Village Hall. Some villagers are already very good friends but we could do with more. Maybe you would be willing to help out occasionally or with a particular bit of work at which you excel (or not, but you enjoy doing), but you don't want to be a committee member. Then be a friend!

We'll keep a database of friends along with your interests. When we need something doing (which will have been agreed at the committee meeting) we'll contact you and you can say yes or no - hopefully yes!

If you think you might take the plunge and join us or if you want to chat about it, please contact one of the committee members below. Or come to the tidy up day on the 7th October and see what's what.

Also, please would you confirm you are still our friend if you're already on 'the list'."

Thank you - *VH committee*

North Yorkshire Trading Standards have noticed an increase in reports from residents being contacted by telephone by someone claiming to be from Microsoft, BT, Talk-Talk or similar.

The caller will state they have identified a problem with the router or that the persons email has been 'hacked' They will then trick the recipient into downloading software that allows the caller to remotely access the computer. This may result in the caller claiming they can offer a service to rid the computer of viruses or locking the computer and demanding a fee to unlock. This scam has been around for a while now but we are still seeing residents falling victim. If you get a similar call, hang up and if in doubt contact your internet service provider

If you'd like to receive more information and messages like the one above let us know at the Wrambler or join North Yorkshire Community Messaging - a free service that allows you to register to receive the latest crime notifications and community news happening in your area.
