## MONKEY STICK

Villagers may remember a concert given by Chilli Jam last year and will be pleased to hear they are back again on July 20th. Having acquired a new percussion device since last year they are now known by the name of that instrument “Monkeystick”.

As before there will be plenty of opportunities to join in with the singing. Bring your own drinks and the doors will open at 7.00 for a 7.30 start.

Tickets are £5 each and are available from Jan Firth on 474469 or Tony Miller on 476931

## Update on Stalls on the Green

At the last count the total had risen to £678 thanks to donations for the plants that had been left on the green and money from the second hand bookshop in Pickering for some of the left-over books.

Despite a pretty chilly morning this is a fantastic sum for such a small village. Many thanks again to everyone who made it such a success. *Helen Young (VH Committee)*

## Parish Plan Revisited 2019

The 2008 Aislaby, Middleton and Wrelton Parish Plan was produced after an approach from Yorkshire Rural Community Council to identify and highlight issues, problems and opportunities in the three villages. It was intended to use the plan to facilitate improvements to the area and to enhance quality of life by considering what changes were desirable and how those changes might be implemented.

The 2008 questionnaire gave people an opportunity to express their views – both positive and negative – about life in Aislaby, Middleton & Wrelton and to indicate what might be done to improve the area and their experience of living there. The document was also used to inform and try to influence the local and county councils. The original document stated that “the Parish Plan will now become a part of the Parish Council agenda and will be subject to an annual review and update”.

Although a number of issues from that original plan have been regularly revisited, and indeed the children’s playground has been built, a formal review has not been carried out since the original report was published.

We are now preparing to revisit and re-evaluate the 2008 action plan. We would like to consider the way in which the villages have changed over the last 12 years and look at what new or different needs there may now be. To help in this process we will be delivering a short questionnaire to every household during July and would appreciate it very much if you can fill it in! Collection details will be sent out with the questionnaire. Thank you in advance for your help.

### Tidy-Up day - Update report

Still not a brilliantly sunny day but nineteen of us had another good go at a tidy up day and got loads done. In fact the dodgy forecast worked well as a couple of hard working folk did some jobs early. The willow arch looks lush and the benches sleek. Elsie's garden has been cleared and seeded. We put plenty down so we could share it with the birds! A new path at the end now leads nicely to the walkway under the window, from which the stray gravel has been removed.

Stop press - The grass is growing!

The windows are gleaming - well all except the outside looking onto the playground. Sorry thats me; I spent too much time talking! We've also made a bit of a flower bed leading to the gate using the final few plants from stalls on the green. We cleaned the loos ( enough detail) and cleared the perimeter of weeds etc. The storage rooms have been tidied and the hall floor has been polished and looks fab.

A bit of a ploughmans for lunch with cake from the Macmillan coffee morning which has been resting in my freezer ( without Terry's knowledge of course). Then the last few of us chose the colour scheme for the next major task which is to decorate the entrance, hallway and downstairs room later in the summer.

All in all a good days work. Thank you so much to all those who were able to help on either or both tidy up days. *from Jan Firth (Village Hall Committee)*
