Wrelton ladies escape to Nunnington!

“Ladies coffee morning in July was a little different. As you can see, we managed to pick a lovely warm day to go to Nunnington Hall tea room and gardens (thanks to Sue for taking the photograph).

Delicious cake and a drink set us up for a stroll around the gardens, which were glorious.

However with eight of us chatting we rather disturbed the peace and quiet for one couple who felt the need to move their deckchairs to the other end of the lawn! We did not go in the house - maybe save that for another day. It was a lovely change and we will definitely arrange another external coffee morning while the weather stands a chance of being fine. It will be advertised in the Wrambler and you are most welcome to join us.” *Jan Firth*

Based in Edinburgh, Scotland, Ian (saxophones) and Dominic (piano) have been performing together for a number of years playing melodic improvisations on jazz standards and original compositions.

The result is a very accessible melodic style which allows them to explore, improvise and develop ideas without losing the essence of each piece of music, and to interact together in as creative a way as possible.

They have embarked on many rural tours under their "Jazz in the Village" series, playing in hundreds of halls, often bringing jazz for the first time to remote communities, performing in intimate settings to appreciative audiences.

"What a lovely and exhilarating performance! Enjoyed the interaction between the two of you, and the obvious love you have for what you do."

"What a good duo this is! Ian Millar's soft lyrical tenor sax is supported by Dominic Spencer's intricate piano runs, each giving one another the space to play beautifully crafted solos."

"...expect warm, intelligent, reflective, human music..."

MONKEYSTICK

“The Ryedale Lions kindly invited Wreltonians to join them at their concert at the Village Hall on 20th July. With villagers and Lions from Ryedale, Filey and Easingwold it was a full house on a lovely sunny evening.

The comfy chairs also got a mention from someone who hadn't been to the hall for a couple of years!

Monkeystick, previously known to us as Chilli Jam played a mix of songs that those of us of a certain age know and love. Lots of trips down the memory lanes of our youth - great fun. It seems the band had enjoyed making the Monkeystick too. I don't know if there are any other home made musical (?) instruments involving alcohol but if there are any we might see yet another name change. Thank you to all involved for a great evening. *Jan Firth, Village Hall Committee*
