No. 202 August 2020

Thank you for the kind donation of £30 received in July towards the production costs of the Wrambler.

August Bank Holiday 31st August 2020

As you all know our usual Stalls on the Green had to be cancelled although Peter's plants were still put out on the green for people to buy and they raised £158 for Village Hall funds.

We have decided that on 31st August we will have a home produce stall on the green. We hope to sell the following items, homemade cakes, biscuits, scones, jams, chutneys and any surplus fruit and vegetables that you may have.

There will be no other stalls or teas or coffees but it is hoped that we can raise a small sum to make up for the income lost from having the Village Hall closed since March. Please bring your items along from 9.30am to the green and ensure that they are already wrapped. We will do the pricing.

We hope that you will come and support the stall while of course maintaining the current social distancing rules.

A Message From the Village Hall Committee

We are pleased to announce the Village Hall will reopen to regular and one off bookings on 1st September with current government social distancing and cleaning regulations in place.

This will mean a reduced capacity for each of the rooms and a restriction on some of activities that can take place. Unfortunately therefore some of our planned events such as music and theatre evenings as well as the Harvest supper this year cannot take place for the moment.

1st August is Yorkshire Day!

For news, events or other items for inclusion in The Wrambler please contact:-

Wrelton Playground

The Village Hall committee are pleased to say that the playground is now open for use to residents and visitors to the parish. Please follow the guideline fixed to the gates.

The climbing frame needs to be replaced as soon as we have funding in place. We don't intend to replace like for like so are canvassing opinion of what equipment users would like to see in that space. If you would like to contribute your ideas please talk to any member of the village hall committee or pop a note in the village hall letterbox.

Parish Council - Online Meetings!
