

WRAMBLER

The newsletter for Wreltonians everywhere

No. 205 November 2020

“Every year during the Poppy Appeal, our volunteers cover as many areas as possible, collecting on the streets, in shopping centres and at stations. However, this year, as a result of COVID-19, many of our volunteers are understandably unable to assist, and reduced footfall in these areas means that our Poppy Appeal income is at risk.

We want to make sure that you are still able to participate safely in this year’s Poppy Appeal. Learn how you can support the Poppy Appeal this year”

REMEMBRANCE DAY
Left We Forget

Home Produce Stall 31st August

Apologies that we did not report the amount raised from the Home Produce Stall on August 31st. There was a really good response from villagers and the stall had a lovely mix of cakes, biscuits, preserves and fresh fruit and veg. The sum of £146 was raised by the stall and Peter’s plants brought in another £27, making a total £173 towards the Village Hall. A big thank you to everyone who contributed or who came along to support the event.

CHRISTMAS QUIZ NIGHT

Our usual Christmas get together cannot unfortunately take place this year but there will still be a Christmas Quiz available for a donation to the Village Hall Funds.

The quiz will be available on the Wrelton website from the 1st December or if you would like a hard copy delivered then please contact Helen Young on 473841 or helenyoungy52@hotmail.com.

The answers to the questions will be put on the Wrelton Village website and in the January Wrambler.

Donations can be given to any VH Committee member or enveloped and posted at Belmont B&B on Main Street. Call Helen or Tony (476931) for further details!

North Yorkshire Police are introducing a new service to the community, Digital PCSO's.

Digital PCSOs are Police Community Support Officers (PCSOs) who use various social media platforms (e.g. Twitter, Facebook, Instagram) and forums to engage proactively and build rapport with communities online, including welfare checks, real time conversations and safety awareness advice.

Digital PCSOs offer the same services and support people receive on the physical street, on the cyber beat. You can contact your local DPCSO's via email:

anne.simpson@northyorkshire.pnn.police.uk

andrew.hugill@northyorkshire.pnn.police.uk

We can also be contacted by the Ryedale Police and Pickering Police Facebook sites.

We are also on Twitter - @PickeringSNT

This is early days for the team and we will publish other means of contact as we grow.

MIDDLETON EDUCATION TRUST

In these uncertain times the education and training of our young people is extremely important and the COVID19 pandemic is affecting the progress and development of many. The restrictions are impacting on educational and training opportunities available to the young people of Middleton, Aislaby and Wrelton.

The **MIDDLETON EDUCATION TRUST** was established to assist with the costs associated with education and are able to consider applications for funding which might assist in the following areas:-

Travel Assistance – where travel is directly linked to educational opportunity. Applications for help towards the cost of **Books/ Stationary/ Supplies** have been and will continue to be supported.

Musical instruments continue to be expensive, whether buying or renting from the Council the Trustees will consider applications for a contribution to these items.

Technology is now an essential component of school, college and university life with home/on-line lessons playing a significant role in learning. The Trustees are able to consider applications for a contribution towards laptops, tablets and software.

School Trips – have always and will continue to be considered.

2020 Retrospective Applications against Receipts: the Trustees are able to consider 2020 retrospective applications which **MUST** be accompanied by receipts and proof of purchase and usage.

Applications and guidance are available on the website.
