

# WRAMBLER

The newsletter for Wretonians everywhere

No. 208 February 2021

We were sorry to hear about the death of village resident Eric Ayling. Eric and his wife Jean lived in the village for over 30 years along Goshen. Eric contributed to the village community as Treasurer/Secretary of the Village Hall Committee. He regularly attended the AGM every year and other village hall functions whilst he could.

Every year in January we would receive a donation towards the Wrambler through the letterbox from Eric with a card which read "My subscription for the year".

Eric's funeral will take place on the 2nd February 2021 at Scarborough Crematorium at 12.45pm. Due to the current restrictions this will be a private service. The funeral cortege will drive through Wreton at 11.50am for anyone who would like to stand outside and pay their last respects.

We would like to send our condolences to Eric's family and friends.

Thank you for the £20 donation we received through the letterbox in January.

Thank you to everyone who donated food to the Ryedale Foodbank appeal.

We delivered the items to their Norton warehouse during the first week in January where they were received with appreciation by the team there. RFB covers the entire Ryedale area and due to Covid are delivering by van to the entire region. Donations and volunteers are always welcome.

by 23rd of month (for publication following month)

## Local Artist - Kezy Feaster

We were contacted by a village resident about the paintings of Kezy Feaster, originally from Cropton.

Her wonderful paintings of local scenes are ideal gifts for birthdays or special occasions. During these difficult times any support we can give to local artists will be most welcome.

In this image called 'Fishing Boat, Staithes Beck', the boat was named 'Joycelyn' after a lady from Cropton who turned 100 last year!

Kezy's love of the Yorkshire landscape and passion for experimenting with mixed media collide in her vibrant paintings. She finds inspiration from the higgledy cottages of coastal villages to the tumbling dry stone walls crossing the moors, capturing them in her distinctive quirky style.

After a degree in Ceramics from Bath School of Art and Design in 2009, Kezy eventually returned to her North Yorkshire roots where she developed her love of painting and experimenting with texture and colour. Friends and mentors Brian and Sally Tozer from Studio Tozer, Newbridge kindly gave her space to work and set up as a painter.

Kezy's work has been shown in numerous exhibitions and galleries in Yorkshire and she also enjoys working to commission. If you would like to see more of her work please visit [www.kezyfeaster.com](http://www.kezyfeaster.com)

## PARISH COUNCIL MINUTES

Wrelton Village details extracted from the latest available minutes of the Ordinary Meeting of the Aislaby Middleton and Wrelton Parish Council held online on Tuesday 17th November 2020 at 7.30pm

Present: Cllrs Peirson(chair), Pickering, Quinlan, Cooke, Baird, Wrench

### 5.Planning (and related items).

b) To receive information regarding pending decisions and note the planning applications still under consideration by Ryedale District Council and NYCC outstanding;

i) Works to farmhouse and cottage to include erection of single storey extension to south elevation of farmhouse, erection of porch and balustraded terrace and formation of first floor window to south elevation of cottage, erection of detached building forming carport/garage and shed on eastern boundary, new and altered walls and fences, widening of existing access to Vinery Farm with erection of timber entrance gates and demolition of some existing sheds and outbuildings Vinery Farm And Cow Byre Cottage Wrelton Pickering North Yorkshire YO18 8PF  
Ref. No: 20/00435/FUL | Received: Wed 13 May 2020 | Validated: Mon 27 Jul 2020 | Status: Registered

*The updated plans and survey had been studied by councillors prior to the meeting. Previous objections by interested parties were noted. It was decided no further comment should be made by the Parish Council.*

8.The potential change to the format of local government in North Yorkshire was discussed. After much discussion, it was resolved to make no official comment from the Parish Council, and to remove this item from future agendas

10.The piece written by Cllr. Quinlan regarding DMMO application for Cliff lane and Dams Lane for inclusion in the Wrambler & Middleton Village Hall newsletter was considered. It is to be revised and recirculated by Cllr. Quinlan before submission

13.It was noted that the next Parish Council meeting will be at 19.30 on 19th January 2021.

All Parish Council minutes available at:  
[www.aislaby-middleton-wrelton.ryedaleconnect.org.uk](http://www.aislaby-middleton-wrelton.ryedaleconnect.org.uk)

Donations to Ryedale Food Bank from the sale of eggs and masks have now totalled £1095.50 .....plus one shilling!  
Thank you to everyone for your kind contributions.

We have been asked to highlight the amount of dog muck been left in and around Wrelton especially the Back Lane, Wrelton Cliff Road towards Shoulder of Mutton and the fields leading to Beadale Wood. It is dangerous for other animals, children and the kind people who clear up litter from around these places. There are plenty of bins provided so please use them.

## VILLAGE HALL NEWS

Due to the recent lockdown the Village Hall has been closed to most of the groups who hire it on a regular basis (except Sharing the Word faith group who are carrying on their regular Sunday morning sessions). When we can re-open fully will depend on official guidance. This has, unfortunately, meant lost revenue.

Government grants have been available through Ryedale District Council and the committee have made successful applications for these funds. This has enabled us to cover our regular outgoings, provide funds for essential maintenance and plan for the future when we can re-open.

### Village Hall Committee Meeting

The Village Hall Committee met via Zoom on 18th January 2021.

The following items were reported:-

A new salt bin has been provided and placed near the entrance of the Hall.

The disabled toilet radiator has a broken valve and this will be replaced.

The Village show is still planned to go ahead and all sponsors of the show have agreed to carry their sponsorship over to this year.

The climbing frame in the playground will be replaced. The Committee have obtained quotes for the replacement and are currently considering different options.

The Solar Panel Feasibility Study was discussed and the Committee would like to thank Peter Anderson for his helpful contribution on looking at the report and providing helpful ideas and suggestions to question the presentation at the next stage of the process.

A questionnaire for Ryedale District Council has been completed and photographs and a plan has been sent to them to ensure Covid-secure premises for the May elections. next meeting via Zoom is on Monday 1st March 2021 at 7pm

### Solar Panel Feasibility Study

As was mentioned above, Peter Anderson kindly looked at the report and made suggestions on the way forward for the Village Hall. The report is now available online at the Wreton website. The report has been edited to include only Wreton Village Hall and the preamble which gives an overview of the project. If anyone would like to read it please visit the Village Hall section of the website.

The next stage is a presentation Q&A session with the consultants LocoGen on the 28th January.
