

WRAMBLER

The newsletter for Wreltonians everywhere

No. 211 May 2021

Welcome to the May edition of the village newsletter. Thank you for the donation of £10 we received during April towards the cost of the Wrambler.

We would like to extend a warm welcome to all newcomers to the village.

Stalls on the Green

Sunday 27th June 10am – 12 noon

We are still hopeful that our annual Stalls on the Green will be able to go ahead as planned. There will be the usual plant stall organised by Peter Renshaw which is always popular. Contributions for the cake and produce stall are always welcome and can be brought on the morning after 9.30am. We will also be having a raffle, to be drawn on the day, and any items will be gladly received in advance and can be given to any member of the Village Hall Committee. We are delighted that Beech Farm Cottages have kindly offered to host the teas and coffees this year.

VH committee members: Kathy Waddington, Helen Young, Jeanette Miller, Sue Halstead, Sandra Snell, Chris Bakes and Tony Miller.

The First Wrelton Village Show 2021

Sunday 8th August

We have everything crossed that this inaugural event will happen! There will hopefully be one class that everyone would like to take part in. Don't forget to have a good look at the classes (see April Wrambler) and decide what you would like to do.

We want to make this a truly inclusive event for the whole village. So whether you fancy baking, growing fruit or veg, being crafty, artistic or snappy with your camera then there will be something for you. There is also the Children's section which is open to grandchildren of residents as well to the increasing numbers of children we have in the village. In June all those who receive the Wrambler will hopefully receive a hard copy of the schedule along with an entry form. These can also be found on the website www.wreltonvillage.uk. If anyone has any queries then please contact Helen Young on 01751 473841 or helenyoung52@hotmail.com

Clare Moss, who left the village in April after 33 years, would like to thank Colin, Julia, Merran and Daisy for all their help walking Rowan her dog when Clare had a broken leg.
I'm sure everyone who knows Clare will join us in wishing her all the best in her new home.

By the time the Wrambler is being delivered we should have seen some changes at the playground.

Work is scheduled for the 26th and 27th April to remove the old climbing frame - which has suffered rot and become unstable - and replace it with a smaller climbing unit which will be accessible to younger children. In addition a set of monkey bars will be installed above the zipwire for the older end of the age range.

The village hall committee hopes that the new choices will add new dimensions to the facilities of the playground. We are very grateful for generous donations from the following that have enabled this work:

Wayside Holiday Park

NYCC via the County Councillor local projects fund

Ryedale District Council - Community Fund

Aislaby, Middleton and Wrelton Parish Council

Village Hall funds

In addition the zipwire has been out of order in recent weeks as a bolt at the top of one of the supports has sheered off making the structure unsafe. We are waiting for it to be mended by the company who installed it but in meantime it shouldn't be used
