Wreton Platinum Jubilee Committee
Cordially Invite
Residents of Wreton and their families
to our
Traditional Bring and Share Street
Party
on
Sunday 5th June 2022
from 12.30 pm onwards*

Come and join in - bring yourself and your family along, together with a plate of finger food, snacks, etc. and tipples of your choice - enough to feed yourselves and a bit extra to share with friends and neighbours. Road Closure signs will be in place, tables (and a few chairs) will have been set out along The Goshen and High Street, and we will have decorated the street with bunting. We look forward to seeing you.

*Don't forget that there will be no vehicular access along The Goshen/High Street
between 9.00 am and 6.00 pm*

Friends of the Village Hall

The VH committee has been very lucky over the years to have the support of several Wreton residents who form the Friends of the Village Hall. A group of people who make themselves available to help at various events such as the Harvest Supper; tidying up days in and around the village hall; small maintenance jobs; cleaning the hall and of course fund-raising events. Without this group of residents the committee could not continue to maintain and run the village hall. Volunteering to be a "friend" of the village hall does not involve any commitment to residing on the committee, the running of the hall, any legal responsibility for the village hall or attending meetings. This is all covered by the Village Hall committee. But it is a good way to meet and share the company of other residents and most importantly it means the village hall can continue to run a programme of enjoyable events throughout the year which is open to all residents.

If you are interested in joining the friends of the village hall without any commitment or have any questions, then please contact Sue on 01751 477 918 or email crofthead2005@yahoo.co.uk

CLASSES & WORKSHOPS

Village Hall Play Area

We have advance notice that work will start on re-landscaping and fencing the tunnel at the VH playground. This work is scheduled to start on the 9th May and will take approximately 10 days. Due to the nature of the work there will be heavy machinery in the area so the park will be closed for the duration of the works. Apologies for the inconvenience.

Thank you for the donation of £15 that was received in April. This will go towards the printing costs of the Wrambler newsletter.

History of Wrelton.

I am trying to put together a History of Wrelton and would welcome any information you may have. I have already contacted several people directly and have received some useful help.

I am particularly interested in any details regarding village buildings, particularly dates, occupiers over the years and uses to which they may have been put.

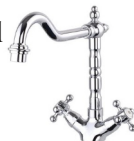

It would be useful if you have some evidence to back things up but stories linked to buildings, people from the past etc would also be of interest. Anything, however small, would add to the picture so please get in touch by any of the following:-

On paper through the letterbox of 7 Wrelton Hall Gardens, by email to helenyoungy52@hotmail.com or give me a ring on 473841.

Thank you. Richard Young.
