The Second Wrelton Village Show

The Second Wrelton Show did not disappoint. The entries were up on last year and I think everyone will agree that the standard was very high and every class had at least one entry. On the Friday evening there were 205 entries over 46 classes and 53 people entered one or more of the classes.

Saturday was the day for sorting out the spacings for each class and performing the finishing touches. Then, on the Sunday morning people started arriving from 8.30am with their exhibits. The judging started at 11am and thankfully all the judges remembered to turn up this year! The afternoon public viewing was very busy with many residents and some visitors coming to have a look and this year it was lovely not to have to wear face masks.

A big thank you to all of those who entered the show and to those who helped beforehand and on the day in order to make it a success. Thanks also to our judges and to the sponsors for their support. We should have raised about £330 from the event thanks to the generosity of all those who donated to the bottle tombola and to everyone who purchased books. This will go towards the upkeep of the Village Hall. The results of all the classes and photos are available to view on the Wrelton Village website. (<https://wreltonvillage.uk/wrelton-village-show/wrelton-village-show-2022>)

For 2023 I would like to try and form a little group of people willing to help with both the organisation and the setting up of the Show as Richard and I are not getting any younger! But now it's a tried and tested event that receives good support from the village it should be able to go from strength to strength. If you are interested in becoming involved in any way with the 2023 Show, then please get in touch with: helenyoungy52@hotmail.com or ring 01751 473841. *Helen Young*

Wreltonians - Your help is urgently needed

Help is needed to run our Village Hall. Wrelton is rightly proud of its Village Hall. It provides a pleasant base for a variety of village meetings and events, both on a regular and a casual basis. Most recently it was the venue for the very successful 2nd Wrelton Show.

Since it came into existence in 1967 it has relied on the enthusiasm and efforts of a band of volunteers. That number has now dwindled and is definitely ageing and in urgent need of some "new blood".

Covid hit the village hard and events at the Hall were curtailed for almost two years. We now want to organise a programme of events so that friends old and new can get together. Such events need people to move tables and chairs, sweep floors and serve drinks and enjoy themselves in the process.

Anyone who is willing or is interested in finding out more about what it would involve, without any commitment, is invited to come along to the Village Hall on Tuesday 6th September at 7pm. If you are unable to attend on that date then please get in touch with Tony on 01751 476931 to have a chat.

This matter is urgent! It would be a sad day if the Village Hall had to close for lack of support.

Craft Group

After seeing all the lovely craft items at the village show, I am hoping to start a monthly craft group at the village hall.

If you have a crafting hobby that is easily transportable or you would just like to come and meet some new people, have a cuppa and a chat, then why not join us.

The group is likely to take place on a Thursday afternoon, but this could change depending on interest and availability. If you are interested, please get in touch with me,

Sharon on 07824446568 / Sharon-l-watson@hotmail.com
