The main hall and small meeting room have recently had an upgrade. Photographs from the history of the village have been printed, framed and added to the walls. Also, some of the existing prints have been re-framed and hung. New blinds have been fitted to the small meeting room. The Village Hall Committee would like to thank Helen and Richard Young for organising.

After 30 years of early mornings and North Yorkshire weather, our village milkman Keith Simpson has sold his business. I cannot remember a day in over 10 years that he missed a delivery. Thank you Keith for your hard work and dedication - and do enjoy a lie in now and again.

Our local doorstep delivery has now been taken over by Rob and Andrea Howell from Evergreen dairy. They deliver Monday, Wednesday and Friday. Apart from the usual dairy products (milk currently at 76p a pint in a bottle and delivered) they can provide juices, fruit and veg boxes and some pet and bird food. They can be contacted on 01751 432674 or 07933058330.

The thumb turn locks at the village hall have taken some getting used to. If you do open the doors to the kitchen, back stage or new fire doors please ensure they are locked afterwards. The way to do this is close the door as normal, lift the handle gently upwards and then lock the thumb turn.

People looking forward to celebrating Bonfire Night this year are being asked to consider reducing the impact of fireworks to avoid scaring animals and vulnerable residents.
