Harvest Supper - Friday 20th October 7.30pm - **SOLD OUT**

The response to this event has been fantastic. Thank you to all those who have volunteered to make something to bring along on the evening. There are no tickets available but if there is anyone who would still like to go then please contact Helen on 01751 473841 and your name can go on a waiting list as there are often a few people who can't go at the last minute for all sorts of reasons. The food is sorted for the evening but if anyone would like to donate a raffle prize then please let Helen know. Don't forget to bring your own drink and glasses and of course some money!! All the profits from the evening will go towards the upkeep of the Village Hall.

Tidy Up day - Saturday 21st October 10.30am onwards

Traditionally a tidy up day has been held the day after the Harvest Supper to spruce up the Village Hall. It is also an excuse to eat up any leftovers from the event the previous evening! It is important to keep the Village Hall looking clean and presentable in order to attract new bookings and to maintain those that we already have. This includes keeping the grounds looking neat and tidy and free of weeds and moss. If you have a few hours to spare on Saturday 21st October then we would love to see you up at the Hall. The more the merrier!

List of possible jobs: Clean windows and frames inside and out, Clean loos/wash radiators, Clean lampshades in Main Hall, Weed rose garden and prune roses, Prune willow arch, Sweep paths/remove moss from car park, General weeding and tidying grounds, Paint village seats with preservative etc.

If you can please bring gardening tools along that would be helpful. There will be some cleaning materials available for the inside jobs but please feel free to bring your own. *See you there!*

The Village Hall Committee would like to thank Heather Marsland for her contributions during her time on the Committee and welcome Mark Brooks, who recently joined.

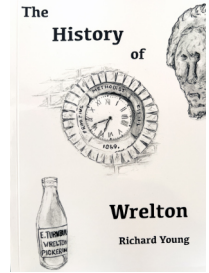

Village Quiz Saturday 14th October 7.30pm for 8pm

Please contact Don McFarlane on 01751-467102 or don@malton.me.uk to book your teams in.

A Wrelton Archive

Firstly, I would like to thank all those who have purchased a copy of 'The History of Wrelton' and especially those who have been kind enough to say nice things about it. Many have asked when Volume II will be available but, at the moment there is no further book being planned.

However, while researching the book, much information has come to light and it was always the intention to gather this together in the form of some permanent village archive. This is, mainly, Helen's idea as she undertook much of the research on my behalf and uncovered many fascinating details which did not find their way into the book.

Things are still in the planning stage but the aim is to gather as much as possible and write it down or store it digitally. We will probably produce a series of binders, to be kept at the Village Hall, covering a variety of topics including 'People', 'Buildings' and 'Events'. There is already a village history section on the website and we will probably look to expand it.

Tony Miller, who organises the website, has agreed to help with that side of things but if anyone thinks they have any other skills which would be useful please get in touch. What we need, initially, is help with gathering information. Anything, no matter how small it may seem, is of interest. We have only lived here for 11 years, though I do have 19th century family connections to the village. What we need is for those, particularly those of advanced years, to provide any stories or memories. Please, write them down, look for that old photograph or just get in touch. Nothing is too trivial.

You will, hopefully, find a section on this topic every month in the Wrambler and to start things off I would ask you to look at the Wrelton Village website. Look for 'History of Wrelton', then 'The Writing on the Wall'. This was first put in the Wrambler in June 2018. It was repeated in April 2020 and then, in May 2020, when Tony Brownbridge's solution to the question set in the poem was published. Recently, Helen has looked at the poem again and believes she has deciphered some of the missing words. She has also researched some of the names on the wall. Interested? More next month.

Richard Young.

Parish Council - Traffic Consultation

The Parish Council discussed ‘Traffic in Wrelton’ at their last meeting on the 19th September. Various suggestions were made to make the roads safer or reduce the speeds through the village. One was to reduce the speed limit to 20mph on all roads, but especially on Goshen and Main St./High St. As this is currently in the news (Wales), Councillor Quinlan volunteered to consult villagers before the next meeting. This is prior to the Parish Council formally applying to North Yorkshire Council for this. Another suggestion was speed humps.

The Parish Council did decide to look into the possibility and cost of a mobile speed camera (one of those with the smiley face if you're under the speed limit) to record or monitor speeds to see how big a problem there actually is. Current reaction (admittedly limited at present) has been favourable but time and further consultation may be different.

Responses can be by email to Phil Quinlan at (philquinlan@msn.com) or by a note (anonymously if necessary) through his letterbox at No.12 Wrelton Hall Gardens.
