

# WRAMBLER

The newsletter for Wreltonians everywhere

No. 268 February 2026

We have amassed a large number of books and jigsaws so there will be a sale on **Saturday 7<sup>th</sup> March between 10am and 12noon.**

Why not come along and browse the collections and have a cuppa now that the weather will hopefully be a bit better.

All proceeds will go towards maintaining the Village Hall.

We don't need any more books for this event so save them for Stalls on the Green at the end of May but we could do with some more jigsaws (complete only please). These can be donated prior to the event by contacting Helen on 01751 473841.

## **6<sup>th</sup> Wrelton Show - Sunday 2<sup>nd</sup> August**

The classes for the 2026 Show are now out!! If you receive a hard copy of the Wrambler you will have got a copy of the classes with this edition. Anyone who gets their Wrambler online can view the classes on the Village Hall website under the Wrelton Village Show 2026 tab.

Now you know the classes you can make a start on deciding what you'd like to enter. This is especially useful for the art, photography and handicrafts sections. It's never too early to start!

## **Village Quiz - Saturday 28<sup>th</sup> February - 8pm start**

Please contact Don McFarlane on 01751-467102 or [don@malton.me.uk](mailto:don@malton.me.uk) to book your teams in.

Supporting the Wrambler and offering our residents...  
...a touch of tranquillity

## Parish Council News

Further to last month's report on broken stiles on the footpath from the village to Sinnington, we received this email from Mr Reed of Low Coppice Farm:

*"First of all as one of the Landowners concerned I apologise to any villager who was unable to use the footpath safely. Within 48 hours of receiving the letter from Mr Walton I gave instructions on 2nd November 2025 for the offending stile to be removed. Frankly, with the decrease in livestock on farmland, many of the stiles serve no useful purpose. They are an impediment to an enjoyable walk particularly for the less mobile of us. It was advancing age and decreased mobility on my part that caused the deterioration of the stile to go unnoticed.*

*Secondly, I think most readers will be aware who the landowners are so if any further problems occur please make contact directly. This will lead to quicker repairs and will save the costs of the R.O.W. officer having to attend, an expense that is borne by the ratepayers.*

*Yours,  
Ian A. Reed  
Low Coppice Farm."*

The Parish Council wishes it to be known the stiles were repaired quickly and thank Ian Reed, George Harrison and Mark Goodson and team from Wayside for their quick response.

In this instance the R.O.W Officer did not need to attend as broken stiles were notified to the Council using photographic evidence and photographic proof of repair was accepted by NYC.
