Andrew Baird

It is with deep sadness that we share the news that Andrew Baird passed away on 28th May 2026.

Andrew was a devoted and much-loved husband to Ann, whom he met in December 2020 and married in July 2022. He was also a cherished father to Pippa and a dear brother to Madeline. To those who knew him, Andrew was someone who left a lasting impression and will be remembered with great affection.

Andrew had a big heart, a natural warmth, and a wonderfully cheeky spirit. He brought kindness, laughter, and friendship into the lives of so many people. His many friends will miss him dearly, including Gordon, who was a close and loyal friend for more than 25 years.

Andrew served proudly in the Royal Marines and spent time based in Malta, a place that came to hold a very special place in his heart. He fell in love with the island, and it was a great joy that his dream of spending more time there became a reality when he and Ann took on a property and created many happy memories there together.

He also gave generously of his time and energy to others, volunteering as a first responder and serving on the Parish Council. These contributions reflected the same sense of commitment, care, and community spirit that marked so much of his life.

Andrew's character, service, friendship, and kindness will be remembered with love and gratitude. Our heartfelt thoughts are with Ann, Pippa, Madeleine, and everyone who loved him at this very sad time.

Glenlea Farm - a message from Pete and Jill Spence

We purchased Glenlea Farm in January. Would you be kind enough to add a little thankyou in the next Wrangler to the many villagers who have walked past and taken the time to stop and have a chat with us and for making us feel very welcome.

Planning is about to be submitted for the demolition of the house and the farm buildings and we have applied to construct a new home in local stone with a new agricultural building to the rear which in turn will give our neighbours a better view without any buildings in their sight. We appreciate it is an eye sore on the village - albeit now a tidier eye sore - but we will hopefully have it looking fab in time.

If the gate is open we are there, and you are all welcome to call in for a chat.

Thank you, Pete & Jill
